

phys::*Attachable*

```
classDiagram
    phys::Attachable <|-- phys::Camera
    phys::Attachable <|-- phys::Light
    phys::Attachable <|-- phys::ParticleEffect
```

The diagram illustrates a class hierarchy. At the top is the base class 'phys::*Attachable*'. Below it are three subclasses: 'phys::Camera', 'phys::Light', and 'phys::ParticleEffect'. A horizontal line connects the three subclasses, and a vertical arrow points from the center of this line up to the 'phys::*Attachable*' box, indicating that all three subclasses inherit from the base class.

phys::*Camera*

phys::*Light*

phys::*ParticleEffect*
